

## OSTENTATIOUS NORMALITY

### Exhibition

September 22 to October 2, 2016

Le Local, 280 Christophe-Colomb Est, in Quebec City

Quebec City, September 8, 2016 – **From September 22 to October 2, 2016**, Folie/Culture invites you to the second and final part of its six-week multidisciplinary event: the ***Ostentatious Normality*** exhibition. The opening and performance will be held September 22, 2016, at 5 pm, preceded by a meet 'n' greet with the artists at 4 pm.

Every time we stand up and express ourselves in public, we broaden the spectrum of normality. It's our job to reshape the collective hallucination that is normality with new, provocative, destabilizing models — or just a carnivalesque celebration.

Featuring installations, video and performances from artists **Soufia Bensaïd** (Montreal), **José Breton** (Quebec City), **Patrick Demazeau** (France), **Maximilien Ramoul** (France), and the **Massecar • d'Orion** (Montreal) and **Jean-Sébastien Vague** (Montreal) collectives, all created for the ***Ostentatious Normality*** exhibition. Each performance is an opening into liminal spaces: Let's leave nothing in the closet!
